

CHROME  
SERIES®

# 4023

HexArmor®

Chrome Series®: Our signature mechanic's style glove line that redefined cut protection, impact resistance, and dexterity in the safety industry.

Built to withstand even the toughest conditions, the Chrome Series® 4023 features a 360-degree interior layer of SuperFabric® brand material to deliver outstanding cut, puncture, and abrasion protection, making high-end, full cut-resistant coverage combined with comfort a reality. On the palm, the glove's durable hi-vis TP-X® material offers excellent grip in dry and light oil situations by channeling liquids off to the side, while maintaining high visibility when in tight spaces.
