

HexBlue™ 2137

Confidently answer the call of duty with the HexBlue™ 2137 Law Enforcement defense gloves. Combining high performance with premium comfort, style, and fit, the 2137 is purpose-built to handle unexpected situations with industry-leading needlestick and cut protection.

A thin goatskin leather palm offers incredible dexterity and comfort, while the breathable back-of-hand material helps keep hands cool. This extremely protective search glove features form-fitting materials, an adjustable hook-and-loop closure, and touchscreen abilities, keeping you safe and at-the-ready on the job.
