

# HexBlue™ 4041

HexArmor® sets the industry standard for needle protection with innovative solutions for a variety of applications. The HexBlue™ 4041 is a mechanic's style glove with both cut and needle-resistance, giving end users a performance advantage to keep them safer on the job.

HexBlue™ products utilize high-performance SuperFabric® brand material engineered to provide the highest levels of needle and cut protection available on the market. Don't get stuck with faulty hand protection, use HexArmor®.
