

HEAVY
DUTY

5039

The SteelLeather® 5039 is a heavy duty solution for applications where high cut and puncture-resistance is needed for the entire hand. This glove was engineered to handle the roughest applications and keep users hands injury-free.

HexArmor® heavy duty gloves are built from the inside out, with technologies that provide industry-leading cut and industrial puncture resistance. We put everything we have into building our heavy-duty line of safety gloves, and the result is purpose-built PPE you can trust.
