

CHROME  
SERIES

# 4091IMP

with IronHide®

HexArmor®

The Chrome Oasis® 4091IMP with IronHide® offers a traditional leather feel while offering high cut protection, puncture resistance, and great dexterity. An interior palm layer of SuperFabric® brand material delivers level A8 cut resistance and industrial puncture protection under an extremely abrasion resistant IronHide® leather which offers great dexterity and comfort with no break-in time.

Added back-of-hand impact guards provide level 2 impact protection against smashes and pinches on the job. Our advanced breathable technology, HexVent®, on the back-of-hand helps prevent overheating in warm environments.

## Product features

- SuperFabric®\* brand material provides industry-leading cut, puncture, and abrasion resistance on the palm (interior layer)
- IronHide® leather palm, forchettes, and half index finger wrap provides highest level of abrasion protection, out-of-the-bag comfort, and no break-in time
- OilGuard® treated leather helps to improve saturation issues.
- Padded palm provides cushioning and dampens vibration and impact
- Back-of-hand impact protection system utilizes an advanced design to dissipate forceful blows over a large area, providing workers with level 2 impact protection
- Double-stitched aramid thread fortifies interior seams for greater durability and longevity
- Pre-curved construction, form-fitting, quality materials with reinforced thumb saddle
- Breathable HexVent® material on the back-of-hand keeps hands cool
- Touchscreen-compatible index fingertip
- SlipFit® cuff with hook and loop closure for a secure fit
