

# 9000 Series™ 9011

HexArmor®

The versatile HexArmor® 9000 Series™ offers a line of seamless coated gloves, supplemented with SuperFabric® brand materials, and purpose-built for a variety of industrial applications. An level A7 cut-resistant interior palm protects users from lacerations and industrial punctures, while a fiber-blend shell offers differing levels of cut protection, flexibility, and dexterity. Each product in the 9000 Series™ features a unique palm coating, maintaining the highest grip in varying conditions while increasing abrasion resistance and extending product life.
